“We have got to connect with someone else who knows our story, who knows our heart, who cares about us.” Dr. Ron Hawkins

Discover the power to stop gambling *and rebuild your life.*

“...if indeed you have heard Him and have been taught by Him, as the truth is in Jesus: that you put off, concerning your former conduct, the old man which grows corrupt according to the deceitful lusts, and be renewed in the spirit of your mind, and that you put on the new man which was created according to God, in true righteousness and holiness.”

Ephesians 4:21-24 NKJV™

Our *Chance to Change* gambling support group is a great place to get the support you need. You'll be around people who understand what you are going through. You'll also learn important information that will help you stop gambling and begin rebuilding your life.

Each *Chance to Change* meeting includes a video seminar featuring top experts on gambling recovery. These videos also include on-location video and real-life stories of people who've been where you are.

After your *Chance to Change* group views the video, you'll participate in a small group discussion about what you've seen. You'll have the opportunity to talk about things going on in your life and hear the experiences of the others in your group.

Chance to Change is a nondenominational group. Everyone is welcome!

When to begin

You are welcome to begin attending our *Chance to Change* group at any point during the 13 session schedule. Each meeting is “self-contained,” and you will find help and encouragement whenever you start. Plan to continue *Chance to Change* through our next 13-week cycle.
